

## TENDER NOTIFICATION

### DESIGN SERVICES FOR AIRFIELD CODE - E READINESS TIRANA INTERNATIONAL AIRPORT

Tirana International Airport SHPK ("TIA") is operating the Tirana International Airport „Nënë Teresa“ ("Airport") since 23 April 2005 under the BOOT Concession Agreement entered into between Government of Albania and TIA ratified under the Albanian Law 9312 of 11 November 2004 ("Airport Concession Law"). As per the Airport Concession Law and in the quality of the concessionaire, TIA is in charge of all Airport activities for 35 years. With its profound know-how, TIA manages and develops the Airport according to international standards.

In line with managing both the Airport's existing assets and catering for the Airport's anticipated growth, TIA is committed to undertake a number of capital expenditure projects. The main projects in this program will be airfield infrastructure rehabilitation and upgrade for Code E type aircraft operations, on the main airfield elements such as runway, taxiways and apron to be executed in phases and under airport operation.

TIA thus intends to engage a designer with suitable international airport experience (the "Designer"). The Designer shall support TIA with professional comprehensive and efficient design services for the described projects. Design services shall be delivered for each of the respective projects from the concept design to execution design including all necessary surveys.

To participate in this process interested parties expected to have successfully completed in the last 10 years 2 similar projects at the amount in the range of 15 – 20 million EUR investment cost, will need to submit an official letter of expression of interest for participation by e – mail, to all below address.

Upon receipt of the e – mail, TIA will send to the respective company a Confidentiality Commitment form. The interested company will need to send the signed and stamped Confidentiality Commitment form, by e-mail, latest until 9<sup>th</sup> September 2021, at all the addresses below, and only then they will receive all the necessary forms and instructions for participating in this tender.

The set of tender documents will be delivered free of charge, via e-mail.
